beverage included

Jeff Pietila and his wife, Tamara are from Chassell and have 11 children. Jeff fell critically ill in July and has spent the last 6 months at the U of M hospital and in a rehab center. Jeff has been intubated several times, fought off infections, had numerous abdominal surgeries, partial removal of his pancreas, gall bladder removal, supplemental nutrition, dialysis, tracheostomy placed and countless other tests, along with hours of therapy. As Jeff fights to get home we would like to help with medical expenses, travel expenses and help cover lost wages. All proceeds will go to the Pietila Family.
