The Ontonagon Sheriff's department and Michigan State Police along with numerous local, County, State and Federal Agencies are currently conducting a Search & Rescue mission as they look for a 17-year-old youth in the Paulding area of Ontonagon County. This operation has been ongoing since early Friday evening and is continuing on the ground and in the air. The public is being asked to avoid the area so that rescuers can conduct their operations in a safe and efficient manner. This is an ongoing operation and additional information will be provided as it becomes available.
