1. *What are the best options to meet space needs at the elementary school? (Be as specific as possible, you can have multiple solutions.)*

- 5<sup>th</sup> Grade Moved to Middle School with Additional Rooms Added, Separate 5<sup>th</sup> & 6<sup>th</sup> Grades from 7<sup>th</sup> and 8<sup>th</sup>
- Kindergarten Center (Stand Alone Building)- Can Be Added on too in the Future
- Add on to the Elementary- Can you build up?
- Cap School of Choice/ Hold Lottery/ Moderate School of Choice
- Add Classrooms and Relocate Support Facilities
- Build a Stand Alone 5<sup>th</sup> and 6<sup>th</sup> Grade Building
- Adding Portable Classrooms
- Second Smaller Elementary School
- Another Elementary School in a Different Location in the District to Shorten Busing
- Stand Alone New School PreK- 3 and 4- 6
- Put Kitchen at MS/ HS
- Consolidate with Other Districts (Chassell, Hancock, Calumet Etc.)
- Purchase Another Building to Shift Grades to
- Consider Raising Taxes
- Use Space at the Mall
- Extend K/ 1<sup>st</sup> Grade Hallway On to Playground to add more Classrooms

2. *Brainstorm spaces that should be added/ remodeled at each building to elevate education for our students.*

3. *What other facility needs do you believe should be considered that will benefit students.*
